<https://youtu.be/ATmcutleyIE?si=Zi5iqUEmFGTVk-kb>

5. Review this year's Trustlands Plan - Watched the Trustland funds video, to better understand where the Trustland funds are coming from, and how they benefit schools.

Chromebooks (replacements) - Funding for Chromebook replacement has been allocated in the past.

Tutoring/Summer School (Credit recovery) - Some students have taken advantage of this when available.

7 Mindsets (SEL/ Behavior) - Schools need to have a social-emotional program we have been using the 7 Mindsets program taught by teachers in the classroom.

Music teacher (Increase art's at GRHS) - Money was allocated and new classes were added to the schedule, including photography, and music classes. This opens more choices for students, and better prepares them for college.

How do we get more parents invested in education and what is going on at the high school? With more parental involvement students would be more invested in their own education, and involved.

6. Discuss Net Safety and Emergency Response Plan

Threat assessment plan created by the state. We will be practicing some sort of drill (lockdown or shelter in place) this year. Safety issues such as fencing have been identified. Priority is securing the building. The campus here would be difficult to secure. We have put a generator on our plan because it's difficult to do anything without power. If power were to go down it would be difficult to lock down the building. Bulletproof glass on the office window and front and back of the building is another important part of this plan. The emergency preparedness plan has been shared.

Work with the student council and teachers to create a safety week in November, there may be more parent involvement because the student council helped with the plans. If we devoted a week to school and net safety (a week in November around the 6th or 7th) we could meet all concerts without taking away from Red Ribbon Week.

Net Safety

Use some resources from the website for content.

All Drills

Fire, Gas, Earthquake, Lockdown

<https://www.schools.utah.gov/schoollandtrust/resources?mid=5046&tid=2>

Behavior plan mandated should be created around substance abuse. Created by counselors and admin at the school. Should be done in December and ready to submit.

7. Set meeting schedule

October 19, 2023

January 22, 2024

March 18, 2024

April if needed

Motion to approve schedule by Loni Meadows , Motion to second Emilie Nelson .

Schedule approved.

8. Upcoming events/Calendar
