In attendance

Kayce May-Riches

Loni Meadows

Emilie Nelson

Rebecca Herrera

Alejandra Reyes

Heidi Quintana

Bring to order 7:10

### 2. Approve Minutes of January 25, 2023 meeting

Last Minutes Motioned approved by Heidi Second by Loni Meadows All Approved. - Spelling fixed.

### 3. Review/Finalize Trustland Plan

Budget in line to only be slightly over. After looking back, the CC card was not charged for teacher stays. Looking at the new budget, money will be allocated to art teachers/music teachers. We have spent money on vape sensors that are now in all 4 bathrooms. District paid for the sensors.

7 Mindsets is a great program. It rotates. We don't have the same program for the classes every year. It is easy for teachers to use. Star Reader and Lexea will be continued but funded from somewhere else. Would be nice to add another music class, depending on what the class is we may have to purchase different instruments. It may be nice to start an elementary school band class in order to expose students to music at an earlier age. The goal would be to get students back into going to competitions. After the 15 hundred is out we will be below the total amount, we will still be doing some field

trips, Lagoon is not included in this. It was discussed that we could pay for High Honors and other students could pay \$25.00. Moving IVC and keeping the Drug testing on with the two new classes puts us closer to the amount we have at \$25,250.00. Heide says she thinks the budget works better taking the IVC out and leaving the Drug testing in, others agree with this. Loni Motions to adopt the budget with these corrections, Heidi seconds the motion.

#### 4. Decide on date for Lock Down/Reunification Drill

Kayce spoke with the sheriff. We needed to do a lockdown drill and a practice drill going to the big church building, we were unable to set up a date with the sheriff's office. Right now we are looking at the 18th of May after testing for an off location reunification drill.

#### 5. Upcoming Events

Track and Golf

ACT for Juniors on the March 21st

Quiz Bowl 22nd at Moab

Spring Break first week of April

#### 6. Other Business

#### 7. Adjourn

Motion for Adjournment 8:35
